

1.4 Copyright & Open Access Policy

This journal, and the others published by SMK College of Applied Sciences, are published Open Access under a CC-BY 4.0 licence (please follow the [information](#)) which allows readers to reuse the content without restriction. Open Access allows for unrestricted sharing of scholarly information and helps to promote knowledge throughout the world. SMK College of Applied Sciences supports Open Access as an equitable means of ensuring that scholarly research, usually funded by public institutions, is made available to all. Open Access publications are more likely to be discovered, read, cited, and used for future research than those published in closed journals, and we believe it is in the best interests of authors and their parent institutions, as well as the journals themselves, to make all our content freely available and reusable. Archives of the contents of this journal are digital and the rights belong to SMK College of Applied Sciences.
